

Friday, June 5, 2020.

Dear graduating students and families of St. Catharines Collegiate Secondary School:

I hope this message finds you and your family well.

Below, I have outlined some important information so you can complete your last month of high school with success.

First, as you know from your teachers, your culminating activities will be finishing during the week of June 15. Next, you have until June 24 to complete any credit completion/credit rescue activities to be included in your marks that will be submitted to OCAS and OUAC for post secondary applications.

On June 24 at 5:00pm, we are excited to announce that there will be a virtual recognition event for you, the Class of 2020. I will share more details with you closer to the event.

On June 25 and June 26, you will be able to pick up your report card, transcript, scholarship cheques that you may have received, your grad cap and gown, your yearbook and a special surprise. This will also be the date when you return any items back to the school (Chromebook, musical instrument, Cogeco receiver, Bell Phone, sports uniform/equipment, textbooks, library books etc.). The safe pick-up and return of items will be accomplished with appointments for each student, and following directions from Niagara Public Health. We will be in touch closer to the end of June to let you know the details.

Your teachers and I are here to support you as you finish high school. If you need any support, please contact me ([Johanna.provost@dsbn.org](mailto:Johanna.provost@dsbn.org)) or your teachers.

Sincerely,

Johanna Provost

Principal of St. Catharines Collegiate Secondary School
