

Why UPgrade?

We want to provide you expertise to do a virtual upgrade in any course you want to improve upon.

Who is eligible?

If you passed your class but want to upgrade your skills and marks, this is an opportunity to learn and improve.

How is the UPgrade offered?

Virtual Learning using the D2L platform

When can I upgrade?

2 week duration - 4 time blocks from July 6- August 28

What do I need to know?

- * Course offerings are dependent on student enrolment
- * Upgrade your skills with courses connected to Writing for College/University
- * Upgrade your math course that was challenging
- * Re-boot biology, chemistry or physics units to get a better understanding
- * Improve your grades/average for post-secondary admissions

[Register Here](#)

We will reach out based on course interests and student enrolment before July 5th to get you enrolled if your UPgrade Boot Camp will be offered. Building skills and increasing learning! Please email summerschool@dsbn.org if you have questions or contact your school guidance counsellor for more information.
