Step 2:

Log in with your student's credentials from DSBN

A screenshot of a login page for the District School Board of Niagara (DSBN). The page is framed by a dark blue border. At the top left, there is the DSBN logo, which consists of the letters 'DSBN' in a blue box next to a stylized blue 'n' shape, followed by the text 'DISTRICT SCHOOL BOARD OF NIAGARA'. Below the logo, there is a back arrow icon and a redacted email address ending in '@dsbn.org'. The main heading is 'Enter password' in a large, bold, black font. Below this is a light blue password input field with a vertical cursor and a series of dots representing the password. Underneath the input field is a blue link that says 'Forgot my password'. At the bottom right of the form area is a blue button with the text 'Sign in' in white.

Step 3:

Click on your student's courses:

The screenshot shows a Blackboard LMS interface for a course titled "MFM1P1-01-Foundations of Mathematics-Seminerio". At the top, there is a navigation bar with the school logo (Beamsville District Secondary School), the course name, and user information for "Katie Seminerio as Student". Below the navigation bar is a row of icons for various course features: Calendar, Content, Discussions, Quizzes, Assignments, Grades, D2L Tools, and External Tools.

The main content area is divided into two columns. The left column contains three widgets: "Calendar" (showing "Monday, April 20, 2020" and "Upcoming events" with a message "There are no events to display."), "Content Browser" (listing "Unit 1" through "Unit 6" with expandable arrows), and a "Maths" icon. The right column contains an "Announcements" widget with three entries: "Week of Jan 5th" (posted Jan 5, 2015 1:56 PM) listing activities from Monday to Friday; "Happy Holidays" (posted Dec 19, 2014 9:52 AM) with a Christmas message; and "Week of December 15th" (posted Dec 17, 2014 1:28 PM) listing activities from Monday to Friday. A fourth announcement, "Week of December 8th", is partially visible at the bottom.

Step 4:

The highlighted areas show you where to look for your student's work.

Content: holds each unit like a digital binder

Calendar: shows due dates

Announcements: shows what students are to be doing for the week

Discussions: are a place you can ask other students and the teacher for help

Assignments: items that need to be submitted
