

COLLEGIATE CREATIVE COLLECTIVE

**CONNECTING TO THE COMMUNITY THROUGH
TECHNOLOGY, ARTS AND BUSINESS**

THANK YOU FOR YOUR SUPPORT

WHY THE SAINTS ARE AT THE MARKET

To provide opportunities for students to use their skills to create marketable products.

To raise funds for the school to enhance opportunities available for hands-on learning

To develop teamwork and communication skills.

To build relationships with our local community

This event is part of an entrepreneurship competition called **TAB Entrepreneurs**

Teams of students are creating products based on their technology specialty to sell May 11 at the market.
