

Dear Parents and Students:

We are coming up to the end of week two! Congratulations to all for settling well into a new school routine. We appreciate everyone's patience and attention to safety protocol over the past two weeks.

There have been several questions about attendance. Here are a few more details:

- Cohorts A and B: in person attendance is taken by 10:20 am each day.
- Cohort O (online students) and Cohorts A and B (when working from home): attendance is taken by 10:20am. All online students and students working from home must sign in through D2L to be marked present.
  - Students have a link they can follow on their teachers' D2L pages to check-in for attendance each day.
  - Cohort O (online students) have an additional check-in time with one of our In-School Team members each day to receive announcements, trouble shoot and receive additional supports if needed. The virtual meeting is scheduled for 12:30pm each day.

Regular attendance both online and in-person is extremely important this year. Course expectations will need to be met to ensure students have a strong foundation to move on to the next grade level in their courses.

Please let us know if your child needs support with academics or a life event. We have many DSBN teachers who can help support students in school or on-line learning. One such on-line support is **Direct Connect** available to all DSBN students. **DirectConnect:** Online, Subject-specific support for students is available each day from 10:00am to 2:00pm.

- Access this service on the D2L homepage.
- Click on the appropriate subject group.
- Click on 'We are Here to Help' picture.
- Access the MS Team site where teachers are available to support.

In addition, there are several important forms that need to be completed by parents and are accessible through the School Cash Online (SCO) system. SCO can be found on the St. Catharine's Collegiate website on the right-hand side. The following forms must be completed for each student:

- COVID screening declaration form
  - Consent to participate in Phys Ed
  - Consent participation in Tech and Science
  - Tech Digital Citizenship Agreement
- 
- We have also included links to a September calendar for both Cohort A and Cohort B on the St. Catharines' Collegiate website. Periods 3 and 4 are scheduled to begin on Monday, September 21. All students in cohort A, period 3 will be in attendance on Monday. A copy of the September Cohort A, B and SSTC schedules are attached to this letter. (A September calendar for all cohorts is posted on the St. Catharines Collegiate website.)

On Monday, September 21, 2020, we will be sending home a package to all families with several documents that will need to be completed.

- Verification forms. Please return verification forms to the school with necessary changes to student information.
- Plan of Care forms for all grade nine students. These forms must be completed and returned to the school as soon as possible if your child has a prevalent medical concern.
- If your child is in grade 10, 11 or 12 and has an update to h/her plan of care, please notify the school as soon as possible.

If you have questions or concerns, please do not hesitate to contact the school at 905-687-7301.

Take care.

Johanna Provost

Principal, St. Catharines Collegiate Secondary School
